

5 August 2011

To whom it may concern

ERA Multilateration System

Here are some details of the East Midlands Airport Multilateration System:

- 1 Value of order or contract: This is confidential but below 1M GBP.
- 2 Scope of order or contract: 7 standalone ADSB/MLAT stations, CPS, system integration, installation and commissioning. Initially for noise and track monitoring, subsequently for upgrade to full WAM for ATS surveillance.
- 3 Order or Contract Number and Award date: Original tender MAG172 in 2007, upgrade order no 54409895, 15 June 2010.
4. Order or Contract Completion date. – initial phase completed in 2007, system extension completed June 2011.
- 5 That the supplied & installed systems have performed satisfactorily after commissioning. EMA is extremely happy with the system as supplied by Era

Yours sincerely

Jon Cox
Group Air Traffic services Manager
